j. Office of Central Reference (OCR) Theater Complex Dans	
j. Office of Central Reference (OCR) Theater Complex Reno- vations: In response to a request to provide a package of	
appropriate products and finishes to be used in the renovation	
of the OCR Theater complex (Rooms 1E66-76 Headquarters Building),	
the Interior Design Consultant presented a plan for the rehabili-	
tation of the existing seats, installation of sound-absorbing	
wall material, and a unified color plan for coordinating carpeting,	
drapery, wall coverings, and seat finishes. The proposal was	
accepted, and requisition are being prepared.	
III. <u>Significant Events Anticipated During the Coming Week</u> : No items this reporting period.
